

AD-606

6-Slot Compact Panel Mount Industrial Computer

Features

- 6-slot full-length cards
- Easy lift top for access to drives
- Desktop or wall-mounting applications
- Heavy-duty steel construction
- External bays: 1 x 3.5", 1 x 5.25"
- Internal bays: 2 x 3.5"
- Removable fan filter on front panel
- Dual USB ports on front panel
- Ball-bearing cooling fan
- Front Panel: Power switch, reset switch, LEDs for Power On/Off and HDD activity
- Available in a variety of backplane configurations
- Accepts 1U power supplies

Rugged and compact, this desktop or panel mount computer is configured with your choice of backplane configurations to handle a variety of add-on boards. 6 full-length cards can be accommodated in this system. Its unique lifting top accommodates one external 3.5" bay and one external 5.25" bay, as well as two internal 3.5" bays. All steel construction and built-in heavy duty fan with removable and washable filter enables the AD-606 to withstand harsh industrial environments.
