AD-MI-301

Mini-ITX Panel Mount/Desktop Industrial Computer

Features
• Wall/panel mountable or table top use
• Accepts standard 1U size power supply
• Two 60mm cooling fans with removable filter
• External bays: 1 x 5.25″
• Internal bays: 1 x 3.5″
• Power and hard drive indicators
• AC and DC power versions available
• Two front USB ports
• One full length expansion slot
• Dimensions: 9.1″ x 11.8″ x 5.2″

The AD-MI-301 is ideal for applications requiring high performance in a compact package. This unit can be used as a mini desktop computer or be panel mounted. Its dual 60mm fans provide exceptional cooling and reliability even in warm, industrial environments, and the removable and washable air filter keeps the system running clean. In spite of its small size, it accommodates a 5.25" bay, provides front USB ports, and supports a full length expansion card.
